

Application form

Information to be filled out by the Commission			
Fund/Instrument	Specific Objective	Specific Action	Reference of the call
Instrument for Financial Support for Border Management and Visa Policy (BMVI)	SO1	Innovation for sea/shore, and/or land border surveillance (operational testing in pilot projects)	BMVI/2021-2022/SA/1.2.1

N.B. This application form is composed of a non-exhaustive list of information required by the Commission services to assess an application. Please note that for the assessment, additional information may be requested if needed.

Part. 1 - Administrative information

A) General information	
Member State(s)	National Specific Action (Indicate your Member State)
	Transnational Specific Action (Indicate the participating Member States)
Title of the project	

B) Participants and contacts	
Identity of the (lead) Managing Authority	Full legal name of the Managing Authority (in English)
	Legal representative of the Managing Authority

	<u>Title/First Name/Last Name:</u>
	<u>Position:</u>
Contact details of the contact point for the specific action	<u>Title/First Name/Last Name:</u>
	<u>Position:</u>
	<u>Direct telephone + country code number :</u>
	<u>E-mail :</u>
	<u>Contact details of the person responsible for implementing the project if successful:</u>
Written declaration from the (lead) Managing Authority	
Provide a declaration from the authority agreeing with the project proposal and accepting to include it in its programme and to implement it, if the application is successful	
<i>n.b. Managing Authorities from other Member States are invited to fill in the partnership declaration form</i>	
Project Beneficiaries list all the project beneficiaries	<u>Main project beneficiary (if different from the Managing Authority) :</u>
	<u>Other project beneficiaries (including other Member State entities if relevant):</u>
Exchange of information between the Managing Authority and the project beneficiaries	<u>Has the Managing Authority exchanged information with the project beneficiaries about the conditions under the Member State's Programme to ensure compliance with national and EU rules for funding? :</u> <input type="checkbox"/> Yes <input type="checkbox"/> No Comments :
	<u>Do all partners agree on all the legal and financial obligations in implementing this project? :</u> <input type="checkbox"/> Yes <input type="checkbox"/> No Comments :

Part 2. Presentation of the project

Project description

Provide a short summary of the project (max ½ page) that could be published online and presents clearly and briefly what you will do and why and what you expect to be the concrete outputs once the project is implemented

Provide a description of the project including:

- a) the general objectives of the project,
- b) the actors and Member States involved,
- c) the activities carried out under the project,
- d) the challenges addressed, and
- e) the expected (quantified) results

Only for a transnational project

Describe the arrangements agreed by the participating Member States

(division of tasks between participating entities, indicative timetable, distribution of the funding between participating entities, organisation of financial management among the participating entities, linguistic regime and reporting, monitoring, control and audit arrangements)

Is the EU funding for the specific action to be allocated to :

Option 1: The programme of the lead Member State in its entirety?

Option 2: The programme of each partner Member State

A) Relevance of the project

<p>1. Clarity, correspondence and consistency of the project with the objectives of the call</p> <p>Explain how this proposal addresses the objectives in the call for expression of interest</p>	
<p>2. Cost effectiveness, sustainability and complementarity of the project with the Member State's programme and other EU funding instruments</p> <p>Describe how the project was conceived in order to be complementary to the actions implemented under:</p> <ul style="list-style-type: none">• the Member State's programme• and/or other EU funding instruments	
<p>3. Innovation</p> <p>Describe how the project was conceived in order to ensure innovation and new technologies as well as sustainability. If the project takes up results of past or ongoing research, especially Union-funded security research, please mention which projects and how the proposed action bases on that R&I.</p>	
<p>4. Geographic focus and transferability of results –</p>	

Define the geographic focus and, eventually, the European/trans-national dimension of the proposed action	
---	--

B) Quality and content of the project	
<p>1. Design, organisation and management</p> <p>Describe the planned implementation methodology, the available resources, the organization of work and strategy for project management and monitoring, including the coordination mechanism between project's Member States partners</p>	
<p>2. Indicative Timetable</p> <p>Indicate and justify the duration of the project and its activities (to be aligned with budget form)</p>	
<p>3. Information on the budget</p>	<p>Justification of the overall amount (and per Member State in case of transnational project) of the budget¹</p>

¹ Indicate the main activities in the budget form (Annex 1 of the Application Form)

(to be aligned with the budget form)	Requested co-financing rate
	<p>Statement from the Managing Authority</p> <p>Declaration indicating that the project proposal, including the information on the budget, has been prepared in accordance with national rules on eligibility of costs practice and can therefore be integrated into the Member State’s programme</p>
4. Risk Management	Potential risks for the implementation of the proposed action and measures to mitigate them
	Monitoring strategy²
<p>5. Compliance with EU acquis</p> <p>Confirm that this project will be covered by the rules applicable to the Member State’s programme that ensure actions are in compliance with the EU acquis,</p>	

² For instance, regular reports to the Management Authority on progress; meetings by project group members or any other mechanisms to keep track of financial and operational steps taken to implement the project in a timely and correct manner

including the Charter of Fundamental Rights of the European Union	
---	--

C) Impact of the project	
<p>1. EU Added Value</p> <p>Describe the concrete benefits and quantified results of the project for the European Union and the Member State(s) concerned</p>	
<p>2. Link with the performance indicators of the Member State programme (Annex VIII to the BMVI Regulation)</p> <p>Indicate and quantify, if possible, which indicators in the Member State's (or participating Member States') programme(s) this project proposal will contribute to</p>	
<p>3. Impact on surveillance capability development for border management and security practitioners</p>	
<p>4. Impact on European strategic autonomy on technologies for the management of external borders, in particular for the sea/shore, and/or land borders</p>	

surveillance	
5. Level of cooperation with other Member States, and impact of collaboration on innovative border surveillance solutions, and standardisation in that area	
6. Dissemination and communication of results Describe actions to disseminate and communicate the results of the project to ensure their long-term impact	

Date	Signature
<i>Legal Notice: in case the proposal is successful, the specific action funds will be included in the Member State's [if funding allocated to several programmes: the participating Member States'] BMVI programme[s] by means of a programme amendment approved by the Commission and implemented in accordance with all the rights and obligations of the BMVI Regulation (EU) 2021/1148 and Regulation (EU) 2021/1060 (Common Provisions Regulation).</i>	
	<u>Legal representative of the (lead) Managing Authority :</u>
